

Regional Networks

Description

STAR IDAZ has four Regional Networks: Africa and Middle East; the Americas; Asia and Australasia; and Europe.

The Regional Networks aim to:

- Identify international funding opportunities??
 - Further discuss and agree common research priorities for the Region??
 - Explore the opportunities for sharing resources, including access to samples/strains of organism, specialised facilities and expertise??
-
- [Africa & Middle East Regional Network of STAR IDAZ](#)
 - [Americas Regional Network of STAR IDAZ](#)
 - [Asia & Australasia Regional Network of STAR IDAZ](#)
 - [SCAR AH&W CWG, the European regional network of STAR-IDAZ](#)
