

## **STAR-IDAZ IRC Research Workshop, 13 December 2018**

*The British Embassy, 3100 Massachusetts Ave NW, Washington, DC 20008, USA*

**Workshop Aims:** 1) To galvanise support for an animal disease control research initiative; and 2) To improve collaboration and coordination across the research pipeline

### **Agenda**

---

- **09:00 – 09:30:** *Arrive – Tea and coffee*
- **09:30 – 09:45:** Welcome (Professor Dame Sally Davies)
- **09:45 – 09:55:** [Animal production and the environment](#) (Edward Topp)
- **09:55 – 10:15:** Vaccines to reduce dependency on antimicrobials- (Cyril Gay – [Prioritization of Diseases for which vaccines could reduce AB use in animals](#), and Stefano Messori – [Encouraging Research to Combat AMR – the Role of the OIE](#))
- **10:15 – 10:30:** [Ecology and Evolution of Infectious Diseases: a US-UK bilateral funding initiative](#) (Sadhana Sharma)
- **10:30 – 10:40:** [ERA-Net Co-fund on Animal Health: a platform for a joint funding initiative](#) (Scott Sellers)
- **10:40 – 11:00:** [Overview of STAR-IDAZ IRC](#)- (Alex Morrow)
- **11:00 – 11:20:** *Tea and coffee*
- **11:20 – 11:35:** [Animal Disease Control and Vaccine Development: A Systems Approach](#) (Chris Thompson)
- **11:35 – 12:05:** [Introduction to the Research Roadmaps: Vaccines, Therapeutics, Diagnostics, Epidemiology and development of disease control strategies](#)- (Luke Dalton)
- **12:05 – 13:00:** *Lunch*
- **13:00 – 13:40:** Data generation and research priorities from research programme owners:
  - Breakout groups
    - Public Funders and Charities
    - Research Institutes
    - Animal Health Companies- *Honest Data Broker concept*
    - Livestock Industries
- **13:40 – 14:10:** Feedback from breakout groups
- **14:10 – 14:30:** *Tea and Coffee*
- **14:30 – 15:30:** Cross-cutting research needs and priorities between sectors: shortening the innovation pipeline
  - Breakout groups
    - Public Funders & Research Institutes; Animal Health Companies & Livestock Industries (20 mins)
    - Animal Health Companies & Research Institutes; Public Funders & Livestock Industries (20 mins)
    - Animal Health Companies & Public Funders; Research Institutes & Livestock Industries (20 mins)
- **15:30 – 16:00:** Feedback from breakout groups
- **16:00 – 16:30:** Next steps: an integrated and aligned approach
